26th March 1992

Dear Sir

Thank you for your letter of 20th March 1992, concerning the authenticity of a PHD Degree certificate awarded by the Sussex College of Technology to Dr John V Vilanilam.

The Sussex College of Technology may be described as a purely commercial organisation which purports to award Degrees of payment of fees. The Sussex College of Technology is not part of the University of Sussex. It is not an institution recognised by the Department of Education and Science as empowered to award academic Degrees.

The Times Higher Education Supplement in its issues of 13th June 1975 and 20th June 1975 carried articles on unrecognised academic qualifications and you may care to refer to these articles for details of the activities of the Sussex College of Technology. Copies of the articles are enclosed.

I trust this information will be of assistance to you.

Yours faithfully

CLAIRE GREEN
